

## The Presence Based Church

*“The Presence of God on the Ark of the Covenant was Israel’s provision, authority, identity, and joy. Today, the same divine Presence is perfected and glorified in the New Ark of the Covenant -- Jesus Christ. We are to put Him at the very center of the camp and minister first to Him, as a living offering and worship. HE is the source of our provision, authority, identity, and joy, and HE is the reason we exist as a church.”*

*“I love the local church. It is God’s hope for transformation of lives, the expression of His glory in the earth, and His chosen bride for His Son. If some one today wants to sense and experience the real and manifested Presence of God, he shouldn’t have to go any further than the local church on the corner.... the local church should be the ongoing, steady flame of His Presence, kept alive by the worship and prayer of believers.”*

*“Regardless of size, style, or label, any church can become more Presence based than it is already. The Presence of God just makes everything about a church work better! It will make the apostolic leader a world changer; it will cause seekers to seek for truth; it will turn every cell group into an oasis; and it will lead congregations & individuals to fulfill their Kingdom purpose. ... I pray that you will find more of His Presence than you have known before and discover the joy of being a Presence Based church.”*
