## Zone Retreat March 7-9...

It's coming faster than we can believe! The weekend Zone Retreat in Cincinnati is March 7-9!

### REMINDER...

A \$35 deposit made out to FELC is due to Becky Sarbach by **January 15th!**

Please fill out the enclosed emergency medical form and return with your deposit.

If you have any questions about how much money

has accrued in your account, see Becky, Trish, or Pastor Andy. Total cost for the actual event is \$155.00 plus travel expenses. We will have a more accurate total in February.

Nothing could be more adventurous than a road trip with Tom and Becky! Will we head back to Dave and Busters or find some other form of entertainment to pacify our free time? Not to worry, all will be in the spirit of good Christian!

Some events have changed since last year. For more details, visit the Youth Encounter website at [www.youthencounter.org](http://www.youthencounter.org). Next, click on the link for "Zone" and then on the Cincinnati site. They list the bands and speakers.

## Mission Trip June 29 – July 5...

By popular demand...

Our Post-it group is planning a mission trip to Gatlinburg, TN!

We are really excited about having an opportunity to help in a disadvantaged community outside of Gatlinburg! After much research, we have decided to go with a group called "TEAMeffort". We are taking part in their mission and high adventure camps.

You can look forward to living in a dorm setting with 150 other high school Christians!

### Typical Schedule...

Sunday: Registration 6pm  
Monday-Wednesday: Work  
Thursday-Friday: Free Days!  
Saturday: Depart by 10am  
Daily recreation, evening programs and worship, and music fun!

Ministry opportunities include: painting, roofing, clothing centers, soup kitchens, and more.

Cost for the trip is \$269 (minus the deposit) plus travel expenses and cost of free time activities. We estimate that the total cost for the entire week will be around \$350.00.

**Deposit of \$75** needed by **January 19th** made out to FELC, given to Becky Sarbach.
