## What's up with the Youth Name????!!

It was great to see so many faces at the Volz's house for the end-of-the-year youth party! Although our senior youth women devised a sneaky plan to "help" Tom go swimming, their attempt failed. It took a mere 10-year-old (Michael Ward) seconds to soak Tom, shoes and all 6'3", 3\_\_lbs! Will an

older youth member be able to redeem the title at our next gathering??!! The challenge is on!!!

### Now for the "NAME THE YOUTH GROUP CONTEST":

We have depths of talent in our youth! There were many creative suggestions for the new Sr. High Youth Group name! Even more creative was the artistic symbol to represent the most favored name (thanks to Chelsea and Alissa)! So, now it's time to vote.

(If you don't, the name will be "Hugs and Kisses")

Email Becky by **June 24th** with your vote! Choose one:

1. Hugs and Kisses
2. F.L.Y. (First Lutheran Youth)
3. "P.O.S.T. it" (Call Ally Hannemann if you want to know what it means!)
4. Oasis

## Keep in touch over the summer:

Believe it or not, your youth leaders miss you already! It's hard to go from meeting every Sunday to not having regular contact. We want to know about your summer activities and experiences. We have come up with a solution to this terrible problem:

### ...Meet over the summer!

A youth leader (probably Tom) will be in the youth space between the 8:30 and 11:00 services on the dates listed to the right. Hope to see you there!
