Must R.S.V.P to the Following:

R.S.V.P. by:

Wednesday June 10th

In an effort to include as many youth as possible we are able to accommodate the many activities that the

kids have this summer. Also considering that our mission includes Father's Day, we have planned that Sunday 6/21 will be a free afternoon with a family picnic.

Please respond with the following two pieces of information:

1. Dates and times that your child will need to leave and return.
2. The number of family members that will be present for the picnic.
