Thank You Car Wash 8/18-19

V.I.P.!!!

During all services, our youth group will be providing a car wash for any member of the church.

This is our way of saying "Thank you" for all of the help and support that we get from FELC members.

Please call Annette Doklovic (419) 529-0159 if you need to sign up for a shift. Parent volunteers are also needed and welcomed!

Have you ever been flamingoed?!

What about flamingoing?! More information to come on this "bird-brained" fundraising idea!

Youth Space Construction

Demolition has begun! Due to adult volunteer time constraints, we have not been able to get you a schedule of work dates and times. Thanks to all of the youth who have been able to help at a phone-call's-notice!

Come and check out the space when you're at church on Sunday! Start thinking about decorating your new youth room!

Small Group for Youth!

Have you heard the buzz around church? Maybe you've read fliers about "40 Days of Purpose" and "Small Group". This is not only for adults!

Not much of a morning person? Too busy helping with the services to make it to youth group? Then Small Group for Youth is just for you!

Starting Sunday September 23rd, Youth (small) group will be meeting from 6-7:30pm for 6 weeks. Look for details and updates on the website.

Post-It Website...

Great news! Kay Leedy has volunteered to update the youth website. She needs ideas about what you want.

So far, a suggestion has been made to do a message board. Email Becky with suggestions for the website.

Also, Sarah Ward and Jessika Volz have offered to help. Anyone else out there with creative web ideas? Would love to hear from you too!

How can youth help at church?

You can volunteer to work with the kids! Extra hands are always needed in the nursery during services, with Sunday School classes and children's church.

Contact Chris Cichanowicz if you are interested.

Adult volunteers needed...

We are always on the look-out for any adults willing to lend an extra hand with youth events. Don't worry! We are not asking for a full-time commitment, just an hour or two!

Volunteering is a great way for you to share your time or talent while witnessing the enthusiasm and faith of our youth. No talent needed, just the desire to help our youth grow!
